

## Workplace Safety Courses Your Place or Ours?

we're **nuts** about safety!

We are pleased to offer  
Continuing Education /  
Registration Maintenance  
Points

### Health & Safety Committee Training - Level One

Ideal for new & current safety committee members. All committee members need to understand what a health and safety committee does, what their role is (and is not!), and how to get great results. If your committee wants to be

more effective, then this course is THE place to start.

**Length:** 1 day

**Fee:** \$1395/Course for up to 12 people  
each additional person costs \$9.95

**Maximum:** 24 people

### Health & Safety Committee Training - Level Two

Building on the Level 1 Course, this program provides more of the tools and skills needed by safety committees. An interactive session using workshops and group discussions. Lots of opportunity to discuss your specific safety

challenges. Perfect session for experienced safety committee members. Bring your challenging questions to this course!

**Length:** 1 day

**Fee:** \$1395/Course for up to 12 people  
each additional person costs \$9.95

**Maximum:** 24 people

### Safety Training for Supervisors - Level One & Level Two

When employees are promoted to Supervisor, safety training, safety responsibility and accountability are topics that are often overlooked in their initial training. These courses help provide the tools and confidence they need to carry out corrective action. The Level 1 Course covers the fundamental knowledge every supervisor needs to know in order to provide a safe working environment. Includes WCB regulatory requirements for supervisors, due diligence, safety programs and accident investigations.

The Level 2 course builds on these fundamentals by adding information on accident repeaters, soft tissue injuries and risk factors, conducting safety inspections, return to work issues and more.

Terrific courses for new and experienced supervisors.

**Includes** Regulatory requirements for supervisors, due diligence, safety programs, safety inspections, accident investigations, MSI's and more.

**Length:** 1 day per course

**Fee:** \$1395/Course for up to 12 people,  
each additional person costs \$9.95

**Maximum:** 24 people

Occasionally, courses or events are cancelled or postponed due to unforeseen circumstances such as weather conditions or situations affecting the instructor or attendance. Where possible, notification of any changes will be made via email or telephone at least 24 hours prior to the scheduled start of the course. When this occurs, Pacific Safety Center Ltd will ensure you receive a prompt refund.

Pacific Safety Center Ltd assumes no liability for cancellation of courses or events for any reason. Any costs related to taking a course or event (including but not limited to: airfare, travel, hotel, per-diem, mileage, lost employee wages or salary) are the responsibility of the participant and/or the employer. If a course or event is cancelled, Pacific Safety Center Ltd's liability is limited to the amount of the registration fee ONLY. It is suggested that, prior to making any travel reservations, you contact our offices at 604 233-1842 to confirm if a course or event is proceeding.

Application for a course fee refund that is received at the Pacific Safety Center Ltd two (2) full weeks prior to the course start date will be granted in full (less a 50.00 + tax cancellation fee). Refund requests received less than two (2) full weeks prior to the course will not be granted a refund. Substitutions will be gladly accepted. Non-attendance does not constitute notice of withdrawal.

\*NOTE: Cancellation policy differs for courses held during the Western Conference on Safety at the Hyatt Regency. Please refer to the website for further details.
