GST Extra On All Fees

Joint Health & Safety Committee Training

Ideal for new & existing safety committee members. All joint health & safety committee members need to understand what a health and safety committee does, what their role is (and is not!), and how to get great results. If your committee wants to be more effective, then this course is the best place to start.

OUR MOST POPULAR COURSE

Bonus: Participants who complete this course receive a personalized wall certificate.

Length: 1 day

On-Site Course Fee: \$1595/Course for up to 12 people each additional person costs \$9.95

OR

Open enrollment Course Fee: From \$195 per person

Supervisors Safety Training

Promoting workers to supervisory positions is a great idea but they need to be trained in their legally required safety responsibilities and accountability plus the best techniques for promoting safe work practices. Otherwise accidents will almost always result. In this course participants learn the supervisory fundamentals that encourage and promote safety and productivity.

Includes Regulatory requirements for supervisors,

VITAL TRAINING FOR EVERY SUPERVISOR

due diligence, safety programs, safety inspections, accident investigations, and more.

Bonus: Participants who complete this course receive a personalized wall certificate.

Length: 1 day

On-Site Course Fee: \$1595/Course for up to 12 people each additional person costs \$9.95

Accident/Incident Investigation Course

*FIND THE REAL REASONS
ACCIDENTS ARE HAPPENING*

A great course for safety committee members, supervisors or anyone who is required to conduct or review accidents in the workplace. It will help you understand the true causes of accidents which is essential if you want to prevent future similar accidents. If you have ever found yourself wondering why accidents keep

occurring and what to do to prevent them, then this course is for you.

Bonus: Participants who complete this course receive a personalized wall certificate.

Length: 1 day

On-Site Course Fee: \$1595/Course for up to 12 people each additional person costs \$9.95

we're **nuts** about safety!

Due Diligence for Supervisors

*AN EYE OPENER FOR
SUPERVISORS*

Supervisors, managers or safety people need to be aware of the profound legal safety responsibilities and liabilities that surround their jobs. This course examines the reality of legal accountability and its impact on supervisors, managers and senior management. It presents strategies and recommendations to recognize and reduce

personal liability and improve worksite safety.

Bonus: Participants who complete this course receive a personalized wall certificate.

Length: 3 hours

Fee: \$845 Course for up to 12 people each additional person costs \$9.95

Maximum: 24 people
